How Our Title Loans Work

1. Fill out the online form on the website. A loan representative from the nearest Utah Title Loans, Inc. store location will give you a call.
2. During the call, you can arrange to meet at the store or give the representative a location of your choice, and they will come to meet you. Whether you come to the store or have us come to you, you still must have your driver's license or state-issued ID, your lien-free title to your vehicle, and your vehicle.
3. Next, at the store, you will meet with a loan representative who will examine your ID and lien-free vehicle title and conduct a quick inspection of your vehicle. They will assess everything and determine if you qualify for approval.
4. If you do get approved, you will receive the money the same day or the following business day.
